The Light of the World Trust and its volunteers, whilst making every attempt to ensure the safety and wellbeing of your dog, cannot take responsibility for any unforeseen mishap, should it arise. Therefore, please ensure your dog's lead and collar are strong enough and unlikely to break. If your dog has a tendency to bite, either other dogs or people, please provide a muzzle. It is suggested that you have pet insurance to cover injury to your dog and third party injury.

The Light of the World Trust is pleased to offer this unique dog walking service which is entirely free to elderly and disabled people.

We do charge a £20.00 per annum fee towards administration costs, this includes advertising costs and we would be grateful if you would send a cheque/PO, made payable to The Light of the World Trust and send it to 118 Misbourne Road, Hillingdon, Middlesex, UB10 0HP. Thank you for your support. Once we have received your £20.00 administration fee we can then start searching for a volunteer to walk your dog/dogs.

John Grogan

It is amazing how much love and laughter they bring into our lives and even how much closer we become with each other because of them.

Dean Koontz

Petting, scratching and cuddling a dog could be as soothing to the mind and heart as deep meditation and almost as good for the soul as prayer.
